Name:

Title:

Institution:

Home Library:

Department:

Aside from work experience, what unique perspectives and experiences would you bring to BLC Leads?

How do you envision BLC leads helping you in your future career?

In 300 words or less, please describe one area of potential growth that you would be interested in developing during this program. Please discuss any struggles that you have faced or are facing in this area and/or how its development might impact your professional life.

In 300 words or less, please comment on your library's current priorities and challenges and how these relate to your larger organization.

Attach a current CV.

Attach a letter of support from your library director.
